**LEAGUE INFORMATION**

The 18 Hole league is based mostly on individual play. There will be occasional weeks with partner play but for the most part, it is mano a mano. There will be prizes for the game, skill prizes and draw prizes each week. There will also be prizes for overall season long stats and participation. Throughout the year, our scoring system will create and track a handicap to be used for league play. Each week will see contests for both gross and net play as well as a deuce pot contest.
